Dear Ms. Myers:

Thank you for your April 24, 2020, letter to the Department of Environmental Quality (DEQ), in which you question whether the site proposed for the Green Ridge Recycling and Disposal Facility is suitable for a landfill.

DEQ has not concluded its review of the Notice of Intent (NOI) or Part A of the permit application. If the NOI is deemed complete, DEQ will continue its completeness and technical review of the Part A application submittal, in accordance with 9 VAC 20-81-450.C.3.

DEQ will continue to post permit documents, including correspondence with the applicant, on DEQ's Green Ridge landfill webpage. DEQ has also created a dedicated electronic mailbox for questions from the public about this project: GreenRidgeLandfill@DEQ.Virginia.gov.

Thank you again for your letter and describing your concerns about the proposed landfill.

Sincerely,

A handwritten signature in cursive script that reads 'Shawn Weimer'.
